

The European Values Study Foundation and World Values Survey Association

Data file: Integrated Values Surveys (IVS) 1981-2021

Constructed from the *European Values Study 1981-2017 Trend File* and the *World Value Survey 1981-2021 Trend File*.

Conditions of use

Restrictions

The data are available without restrictions, provided that

1. They are used for non-profit purposes
2. Data files are not redistributed
3. Correct citations are provided wherever results based on the data are published. In addition, a bibliographic citation or electronic copies of each completed report, article, conference paper or thesis abstract based in part or entirely on these data files is provided to EVS as well as WVS. This citation will be made freely available.

EVS: Please send your bibliographic citation to [EVS Repository](#).

WVS: Please send your bibliographic citation to [WVS Repository](#).

Confidentiality

In accordance with data protection regulations in participating countries, only anonymous data are available to users. Therefore, before depositing data to EVS and WVS, each national team has been responsible for checking their data with confidentiality in mind. Anonymity is also maintained after the merging of data files.
